Representative Krug sponsors legislation to let the voters decide if we need a State Treasurer or a Secretary of State

Smaller government was always the goal of Representative Scott Krug and State Treasurer Kurt Schuller

Madison – State Treasurer Kurt Schuller has enlisted the help of Representative Scott Krug to let the voters decide whether we truly need a State Treasurer or a Secretary of State.

In response to the announcement of the bill, Rep. Krug stated, “This bill is about reigning in spending at all levels of government. The purpose of this legislation is to give the voters of the State of Wisconsin a direct say in if these positions are needed.”

“I met Kurt Schuller last fall on the campaign trail. He proposed then to get rid of the State Treasurer position and I respect that he is living up to that promise. I look forward to spirited debate on this issue,” states Krug. “It’s clear to me that voters spoke on this issue when Kurt was elected and we will let them do so again.”
